

Little Red Organics 2018 Employment

About us: Little Red Organics is a small scale diversified organic farm located in Free Soil, MI, between Ludington and Manistee. We grow vegetables, herbs and flowers and sell mostly direct to our customers via Community Supported Agriculture and farmers' markets.

Job description: Field crew members will be part of the day-to-day operations of the farm and will perform a dynamic set of tasks that changes daily. Jobs will include: planting/transplanting, harvesting, cultivation (weeding), irrigation management, washing/packing, anything else that may arise.

Good candidates will have some experience working outside and/or in a fast paced environment. They will be eager to learn about processes and efficiency and be able to adapt to the needs of the day. They will be physically strong and able to lift 50 lbs., as well as handle repetitive bending, kneeling or prolonged standing. They will have a positive attitude most of the time and enjoy the outdoors. Most importantly, they won't mind getting dirty and actually working during work hours.

Hours and pay: We're looking for crew members to work from approximately mid-June to late August, with flexibility around school and other schedules, and the possibility of extending that timeframe. Hours are negotiable, depending on the candidate and his/her needs and experience. Pay will start at \$9.25/hour with the potential for increases based on performance. Experienced farm workers may start at a higher rate of pay - please contact us to discuss.
